

Guidelines

Artist of the Month

Welcome to Art Café's Community Artist Display. Thanks for showing us your work and we look forward to hosting your Artwork. The following are the guidelines of how Art Café works with Artist.

Where

- The Artist has use of all the walls in the "Main" dining room (where the front counter is) and near the Barista bar.
- The Artist is responsible to hang up his/her own work. The walls are free to configure any which way The Artist decides displays their work best.
- Please feel free to visit and look at the wall space to get a sense of potential sizes of pieces we can accommodate. We do not provide specs of the wall space.

When

- As Artist of the month, your time to hang your work is from the first of the month till the last day of the month.
- Art Café will correspond with you within the prior month to schedule a time to hang up your work and remove your work.
- If you cannot remove your work in a sufficient time, Art Café will remove your work for you and keep your work aside till you can come in.
- The available time slots for hanging up Artwork are before 8:00am (we open at 7am) or after 8:30pm (we close at 9pm). We ask that if you come in the evenings, please don't take too long since the staff is preparing to close and head home.

How

- Art Café is not responsible for the handling of sales of Artists work. All potential buyers are forwarded to the Artist Directly.
- Art Café asks that you leave contact information (Ex: Business cards, flier) and a brief description of yourself and your work for viewers.
- Art Café is not responsible for fallen or damaged Artwork. Art Café will do his or her best to keep an eye that the Artwork isn't touched or played with by anyone. In the event Artwork is stolen, Art Café doesn't offer any insurance and doesn't compensate the Artist.
- Art Café asks that no photography be shared on the front rooms walls. Photography is designated for the backroom only.
- Any questions please feel free to contact Artcafeofnayck@gmail.com
